Come out to our 4th annual Rolling for Homes on Saturday, July 25th!

This year's recipient is Army Veteran SFC Medberry.

Mr. Medberry has diabetes and peripheal neuropathy that has resulted in him being in a wheelchair. Mr. Medberry needs a complete bathroom remodel due to limited space for his wheelchair. For this remodel will need to expand two walls to make an ADA compliant bathroom while having to jackhammer through a slab concrete floor to move pipping. Experienced labor will need to be hired due to the time constraint of this project.

Please come out to help support this generous cause! All funds raised or items donated

Mr. Medberry joined the Army in September of 1971. In 1972 he was assigned to Germany as a power generation repairmen.

In 1976 he was transferred back to Fort Hood for 18 months where he married his wife Cheryl of 38 years.

With a full tour of duty, Mr. Medberry was also an automotive instructor and an advisor for the reserves. In 1984 he joined the reserves and was a mechanic instructor and drill instructor and retired from the reserves in 1993.

In 2000, he was diagnosed with diabetes and peripheal neuropathy and 2008 resorted to having to use a scooter and power chair to take the pressure off his back. In 2014 his wife Cheryl passed away and he later remarried his current wife Elizabeth.

Checks can be made payable to Habitat of West Bay and Northern RI or online donations to habitatriwestbay.org

Introduction

Thank you, for considering sponsorship of our third annual Rolling for Homes Veterans Build Fundraiser

There are several benefits to sponsor this event:

A decent and affordable place to live helps families by freeing them from such physical and mental hardships and placing them on a path of new opportunity and increased confidence and self-reliance. A family's partnership with Habitat means they have a stable place to live and to spend time together. An affordable mortgage or small loan means they have a chance to create savings and invest in their education. A decent roof over their heads establishes home as a place that protects — instead of endangering — their health. When combining this with our Veteran Build program, we can lessen the anxiety of a deployed soldier, knowing that his or her family is safe and living in a decent home. This allows the soldier to concentrate on his/her mission while on deployment. For our senior veterans, the program allows for critical repairs that make their living environment unsafe. Finally and extremely important is provide active duty military personnel, veterans and their families with the opportunity to volunteer with Habitat. For returning soldiers, volunteering with us gives them a chance to reintegrate back into society and build alongside their neighbor. Educating the public about what we do is vital to help give the veteran a new sense of purpose, a mission, and to put good skills to use that could eventually lead to employment or a position on the board.

We are a 100% all volunteer organization and entirely self-funded. Our funds come from grants, fundraisers and monetary donations from individuals, churches, civic organizations and corporations as well as in-kind donations of building materials and land.

Be involved in one of the most rewarding organizations

When your company contributes to Habitat West Bay & Northern RI, it has the opportunity to:

- Build Morale at the workplace
- Develop Leadership Skills
- Build trust
- Foster Good Will in the community

There are several ways to support the organization

- Help sponsor a fundraiser
- Make a cash donation
- Make In Kind Donations
- Sponsor a Team Build Day
- Provide volunteer support at a build site
- Volunteer to do lunches on a build day

Please take a few minutes and review the material contained in this sponsorship package.

You will find the following items:

- Habitat West Bay Fact Sheet
- Sponsorship Opportunities
- Our website, link to newsletters and Facebook page

Donation Authorization 2020

To Whom It May Concern:

The bearer of this letter is an authorized representative of the Inaugural Rolling for Homes Motorcycle/Jeep run to benefit the Veterans Build program of Habitat for Humanity of West Bay and Northern Rhode Island.

Rolling for Homes will be held on Saturday, July 25th, 2020 at Wright's Farm Restaurant in Burriville, RI . We are accepting gift card and in-kind donations for our raffle, sponsors, and financial contributions.

Habitat for Humanity works in partnership with God and people everywhere, from all walks of life, to develop communities with people in need by building and renovating houses, so that there are decent houses in decent communities in which every person can experience God's love and can live and grow into all that God intends.

We at Habitat for Humanity appreciate your interest in Habitat for Humanity's Veterans Build Program. Through this initiative, you can help us provide volunteer, homeownership and critical home repairs for U.S. veterans, military service members and their families.
