Narrative:

This fundraiser is particularly important to us. Not only is it our 30th Anniversary, but this year, we are building a duplex in Burrillville for 2 veteran, active military and their families. These two units will have 2 bedrooms and 1 ADA compliant bath with walk in shower and ramps.

Building should begin during the summer and continue through 2022.

We need your help!

Introduction

Thank you for considering sponsorship of our 5th Annual Rolling for Homes Veterans Build Fundraiser

There are several benefits to sponsor this event:

A decent and affordable place to live helps families by freeing them from such physical and mental hardships and placing them on a path of new opportunity and increased confidence and self-reliance. A family's partnership with Habitat means they have a stable place to live and to spend time together. An affordable mortgage means they have a chance to create savings and invest in their education. A decent roof over their heads establishes home as a place that protects — instead of endangering — their health. When combining this with our Veteran Build program, we can lessen the anxiety of a deployed soldier, knowing that his or her family is safe and living in a decent home. This allows the soldier to concentrate on his/her mission while on deployment. For our senior veterans, the program allows for critical repairs that make their living environment unsafe. Finally and extremely important is provide active duty military personnel, veterans and their families with the opportunity to volunteer with Habitat. For returning soldiers, volunteering with us gives them a chance to reintegrate back into society and build alongside their neighbor. Educating the public about what we do is vital to help give the veteran a new sense of purpose, a mission, and to put good skills to use that could eventually lead to employment or a position on the board.

We are a 100% all volunteer organization and entirely self-funded. Our funds come from grants, fundraisers and monetary donations from individuals, churches, civic organizations and corporations as well as in-kind donations of building materials and land.

Be involved in one of the most rewarding organizations

When your company contributes to Habitat West Bay & Northern RI, it has the opportunity to:

- Build Morale at the workplace
- Develop Leadership Skills
- Build trust
- Foster Good Will in the community

There are several ways to support the organization

- Help sponsor a fundraiser
- Make a cash donation
- Make In Kind Donations
- Sponsor a Team Build Day
- Provide volunteer support at a build site
- Volunteer to do lunches on a build day

Please take a few minutes and review the material contained in this sponsorship package.

You will find the following items:

- Habitat West Bay Fact Sheet
