Roofers and Plumbers come out in partnership with Habitat West Bay & Northern RI to build Wallum Lake house

Thank you to Midland Roofing and RI PHCC for donating their time to help build safe, decent, affordable homes

December, 2017: Midland Roofing, located in East Greenwich, along with GAF donated their time and materials to replace a 20 year old roof on an old mason hall being converted into a 3 bedroom home in Burrillville, RI.

“Since 1974, our family-owned RI roofing company has served customers throughout Rhode Island and Southeastern Massachusetts. Our mission at Midland has been to provide the best customer service and quality workmanship in the communities that we serve.”

“We enjoy a great relationship with GAF, the leading manufacturer in residential roofing in the United States. Each year, the installers at Midland Roofing certify in the applications and installation techniques for GAF roofing products. As a result, we are one of the few GAF Certified MasterElite™ contractors in Rhode Island and Southeastern MA.” Says Owner, Dennis Wyatt.

RIPHCC- RI Plumbing, Heating and Cooling Contractors, located in Warwick and is an apprenticeship school for plumbers and pipefitters. With the help of Howard Saucier and his crew, they helped put in the rough plumbing for our home on Wallum Lake Rd. in Burrillville. This is a nice partnership for us and them. The volunteer opportunity provided a hands-on learning experience for contractors going through the school.

“It’s because of companies and organization like these that come together to help us achieve great things.”

-Amy L. Gates, Vice President- Habitat West Bay & Northern RI

In addition to long-term housing repair and construction, Habitat organizes volunteers and resources to help with our Veterans Build and Brush with Kindness program. Construction plans will be determined after evaluations and will depend on the level of support received from donors, volunteers, corporate partners and other community organizations.

About [Habitat West Bay and Northern RI](#)

Driven by the vision that everyone needs a decent place to live, Habitat West Bay began in 1996 as a grassroots effort in Warwick, RI. We have since built or rehabilitated more than 15 homes in the Kent and Providence counties and 16 communities. Habitat International, A Christian housing organization has since grown to become a leading global nonprofit working in more than 1,300 communities throughout the U.S. and in more than 70 countries. Families and individuals in need of a hand up partner with Habitat for Humanity to build or improve a place they can call home. Habitat homeowners help build their own homes alongside volunteers and pay an affordable mortgage. Through financial support, volunteering or adding a voice to support affordable housing, everyone can help families achieve the strength, stability and self-reliance they need to build better lives for themselves.
